

# Gratitude to Healers: National Doctor's Day

Observed on July 1, 2025, National Doctor's Day was dedicated to appreciating the invaluable contributions of medical practitioners. The event featured talks by Medical Officers who shared their professional journeys, challenges, and experiences in serving the community. Students gained insight into the responsibility of being a physician, while light refreshments fostered camaraderie. The program concluded with a collective pledge to uphold the dignity and ethics of the medical profession.

# Honoring Mentors: Guru Purnima

On July 10, 2025, the Samhita Siddhanta and Sanskrit Departments organized a soulful Guru Purnima celebration. Students performed Guru Pujan with offerings and shared personal reflections about their mentors' guidance. Faculty members emphasized the cultural and spiritual significance of honoring teachers, who are considered the torchbearers of knowledge in Ayurveda. The day created an atmosphere of respect, humility, and gratitude.

# Learning by Seeing: Anatomy Exhibition

On July 21, 2025, the Anatomy Department conducted a creative exhibition featuring models of different human anatomical systems. The event attracted a large student audience and was inaugurated with an inspiring speech by the Chairman, who emphasized the role of visual learning in medical education. Students presented detailed explanations of the models, which enhanced both their own understanding and that of their peers. The exhibition became an interactive platform for learning and curiosity.

# Life-Saving Awareness: ORS Day

JJAMC observed ORS Day on July 29, 2025, to spread awareness about the critical role of Oral Rehydration Solution in saving lives, especially during diarrhea and dehydration. Students conducted role-play demonstrations showing how ORS can be prepared at home and emphasized its life-saving potential in emergencies. Faculty provided insights on Ayurvedic rehydration methods as complementary approaches, making the program both practical and educational.

# Revering the Great Seer: Charaka Jayanti

On July 31, 2025, JJAMC honored Acharya Charaka, one of Ayurveda's greatest visionaries. The day began with a grand Shobha Yatra across campus, followed by a traditional Yagna invoking blessings for health and wisdom. Students enacted a drama depicting Charaka's contributions to preventive and curative medicine. Poster presentations, quizzes, and interactive discussions allowed students to engage with his teachings in innovative ways, strengthening their reverence for classical texts.
