Organized By: Department of Roga Nidana Evam Vikriti Vigyan

Global Theme 2025: *“Overcoming Disruption, Transforming the AIDS Response.”*

1. Introduction

World AIDS Day is commemorated worldwide on 1st December to spread awareness about HIV/AIDS, promote prevention, reduce stigma, and show solidarity with people living with HIV. The Department of Roga Nidana Evam Vikriti Vigyan of Jay Jalaram Ayurvedic Medical College organized a special program to educate students on the clinical, social, and humanitarian dimensions of HIV, especially the role of Ayurvedic healthcare providers in awareness and patient-centered care.

2. Objectives of the Programme

- To educate students about HIV/AIDS, its transmission, prevention, and management.
 - To highlight the role of future Ayurvedic practitioners in HIV awareness and stigma reduction.
 - To encourage compassionate & patient-centered healthcare practices.
 - To commemorate World AIDS Day and foster public-health consciousness among students.
-

3. Programme Highlights

a. Opening of the Event

The program commenced with a welcome address by the organizing department, emphasizing the relevance of the 2025 World AIDS Day theme.

b. Introduction of the Guest Speaker

Dr. Vishal Gome delivered a warm and insightful introduction of the guest speaker, outlining her contributions in the field and setting the tone for the session.

c. Guest Lecture

The esteemed **Guest Speaker, Dr. Arpita Chatterjee**, delivered a powerful and enlightening lecture on the topic:

“Breaking the Stigma: The Role of Ayurvedic Medicos in HIV Awareness & Patient-Centered Care.”

Her session covered:

- Misconceptions and stigma surrounding HIV/AIDS
- Importance of empathy and non-discrimination in healthcare
- Preventive strategies and community awareness
- How Ayurvedic practitioners can contribute to holistic support
- The need for integrative, patient-centered care models

The lecture was highly interactive and encouraged students to ask questions, reflect on attitudes, and commit to compassionate service.

d. Felicitation Ceremony

Following the lecture, **Pro/HOD Dr. Sandeep Dahilekar** felicitated **Dr. Arpita Chatterjee** with a token of gratitude for her valuable contribution and presence at the event.

e. Vote of Thanks

The formal **Vote of Thanks** was delivered by **Dr. Sanjay Kamle**, who expressed sincere gratitude to the guest speaker, faculty members, and students. He highlighted the importance of continued awareness and the role of Ayurvedic medical colleges in public health education.

4. Outcomes of the Programme

- Students gained clearer understanding about HIV/AIDS, breaking myths and stigma.
- The lecture reinforced the ethical and compassionate role of Ayurvedic practitioners.

- Increased motivation among students to participate in community health initiatives.
 - Encouraged a more empathetic and patient-friendly approach toward HIV-affected individuals.
-

5. Conclusion

The World AIDS Day programme at Jay Jalaram Ayurvedic Medical College, Shivpuri, Godhra, was informative, inspiring, and impactful. The contributions of the dignitaries and the engaging session by the guest speaker helped students understand the significance of HIV awareness and patient-centered care. The event successfully met its objective of empowering future Ayurvedic medicos to be socially responsible, empathetic, and stigma-free health care providers.
